GLAUCOMA CENTER OF MICHIGAN INSURANCE AND FINANCIAL INFORMATION

Thank you for choosing us as your health care provider. We are committed to your treatment being successful. Please understand that payment of your bill is considered a part of your treatment. The following is a statement of our financial policy which we require that you read and sign prior to any treatment.

REGARDING INSURANCE

We participate with most commercial insurance companies. If you do not completely understand your insurance policy or have questions regarding covered services, we encourage you to call your insurance company prior to your visit. The services rendered will be billed under your **medical** – <u>NOT vision benefits</u>. Exceptions are Co/op Optical, and SVS-Ford Programs. You must bring with you all proper insurance information necessary for us to bill your insurance company. If your insurance policy has unmet deductible amounts, payment at the time of service is expected.

There are many types of commercial insurance companies. Please be advised that HMOs require a written referral from your primary care physician, <u>not the physician who referred you to our office</u>. <u>You must have your referral in hand at the time of your visit, or you will be asked to reschedule your appointment until the referral is obtained</u>. Providing we participate, most PPOs require a co-payment at the time of your visit. Payment is due at the time of service. Please contact your insurance company to see if we are a participating physician.

Please be aware some and perhaps all of the services provided may be "<u>NON-COVERED</u>" services. <u>This also applies</u> to <u>HMO policies even if authorized by your Primary Care Physician</u>. These services may also be applied to your yearly deductible or require a co-payment. <u>Most insurance companies DO NOT pay for services at 100 percent</u>. Any disputes regarding payment are up to you to resolve with the insurance company.

Please help us serve you better by keeping scheduled appointments or give us 24 hours' notice if you need to cancel. Cancellations with less than 24 hours' notice or failure to show up for any scheduled appointment may result in a fee.

FAILING TO COMPLY WITH THESE SUGGESTIONS COULD RESULT IN YOU, THE PATIENT, BEING RESPONSIBLE FOR PAYMENT IN FULL.

Thank you for understanding our Financial Policy. Please let us know if you have any questions or concerns. We would be more than happy to provide you with assistance. You can contact our office Monday thru Friday, 9:00 a.m. until 4:30 p.m., at (248) 356-1321.

I have read the Financial Policy (above). I understand and agree to the Financial Policy:
